

Dear fellow Scouts:

My name is Thomas Levi and I am the Senior Patrol Leader for Mackinac Island Scout Service Troop 127 (MISST127) for the 2025 season.

Q: Why should I join MISST127?

A: There are many reasons to join, here are a few:

Friendship

You will make lifelong friends while you bond with fellow Scouts in a unique setting.

Leadership

The Mackinac experience offers valuable leadership opportunities that will help you develop skills that you can take back to your troop and everyday life. These skills will boost your confidence and enthusiasm for Scouting.

The Experiences

This incredible opportunity is available only to Michigan Scouts and offers a once-in-a-lifetime adventure. You'll live on Mackinac Island and serve in a distinctive environment that only Scouts get to see. While on the island, you will stay at the Scout Barracks, and you will enjoy plenty of free time to explore the island and make unforgettable memories.

I really hope you join this adventure and I can't wait for the 2025 season!

Your SPL– Thomas Levi
